... All th round you this stor Newest Sty Lowest Pric

All trolleys stop at our corner from all directions—over five hundred daily.

The B ... pped Store ... nty.

DRESS GO... will always find here the latest things direct from the mills, in every line, as well as the standard goods in all worthy classes.

UNDERWEAR FOR EVERYONE. This department leads all others in Norristown, especially in low and popular-priced goods, from five cents to fifty cents a piece, all direct from the best factories, or we could not afford to sell so cheap.

HOSIERY AFTER 20 YEARS. By close application in manufacturing and buying this important garment we are in a position to compete with any house in the country and in most cases save money for you. You are always sure to find the latest and best wearing with us.

LACES. These beautiful trimmings are having a great run now, and our intimacy with the French and Swiss manufacturers enables us to offer you many bargains that will astonish you as well as our competitors.

HOUSEHOLD DRY GOODS have a special counter, where you can always find anything in what belongs to this important department of home.

...fast colors, fine patterns and strong warps insure our Carpets to be pretty and serviceable. We buy only from manufacturers. This gives us not only the latest styles, but lowest prices, to share with you.

MATTINGS. China and Japan ship in carload lots direct to us via steamer to Seattle, Wash., thence via Union Pacific and P. R. R. direct to Norristown. Thus we save all intermediate expense and can sell a $6.00 roll for $4.00 and all better grades at the same rate. Besides this, you are always sure of fresh goods and newest patterns.

RUGS. The great sanitary fad of the 20th century are a specialty with us, and we carry complete lines of all sizes in Tapestry, Pro Brussels, Bodys, Wilton Velvets, Axminsters, Smyrnas, Baradoas, Astorias, Wiltons, etc. In any of these we court comparison of styles and prices.

LINOLEUMS. In these we carry every grade of the best line made in America, both for wear and pattern, for they are made from the Scotch patents, the oldest and best.

As you look through the Directory, read our words between the lines.
